LIFE—FIRE—ACCIDENT.

FUNDS EXCEED £7,000,000.

LIFE BRANCH.

The With-Profits section has many features attractive to Assurants. Amongst these are:—

The Strong Reserves.—Strong reserves on a $2\frac{1}{2}$ per cent. basis have been set aside.

The Low Expenses.—The expenditure is restricted to 10 per cent. of the premiums.

All Profits to Assured.—Policyholders receive the entire profits. They thus obtain the advantages of a Mutual Society while holding the further security afforded by a Proprietary Office.

The Life Funds are separately invested, and are liable for the obligations of the Life Branch only.

FIRE BRANCH.

Large reserves. Prompt and equitable settlement of losses. Surveys made and rates quoted free of charge.

ACCIDENT BRANCH.

In this branch Personal Accident, Workmen's Compensation (including Domestic Servants), Fidelity Guarantee, Burglary, Third Party, Plate Glass and other forms of Insurance business are transacted on favourable terms.

Prospectuses and necessary particulars may be obtained on application.

Length and girth combined 6 ft. 0 in.

Parcels must be taken into a Post Office and handed over the counter. The words "Parcel Post" must appear on every parcel.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, &c., or knives, or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only

when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

INLAND REGISTRATION AND COMPENSATION.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace) subject to the rules as to posting and packing, give compensation up to a maximum limit of 400*l.* for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2*d.*; and the scale of fees, and the respective limits of compensation are as follows:—

CANADIAN MAGAZINE POST.

The postage rate on British newspapers, magazines and trade journals intended for despatch to Canada by direct Canadian packet is 1*d.* per lb. Re-directed letters which are re-posted later than the day after delivery will be charged a fresh postage, and any which appear to have been opened will be charged as unpaid letters posted for the first time.

EXPRESS DELIVERY OF MESSAGES, LETTERS AND PARCELS BY SPECIAL MESSENGER ALL THE WAY.

LOCAL SERVICE. EXPRESS THROUGHOUT.

Scale of Charges.

(a.) For a Message, Letter, Packet, or other article the Express fee (inclusive of charges for omnibus, tramcar, railway, etc.) is :—

For every mile or part of a mile from the office of delivery to the address	3d.
(Ordinary postage is not charged.)	

(b.) The cost of hiring a cab or other special conveyance must be paid in addition to the ordinary express fee if the sender desires that such a conveyance be used, or if having regard to the weight and size of the packet and the distance to be covered, the accepting officer considers that the employment of a special conveyance is necessary.

Replies and Returns.

On the delivery of an express packet, the delivering messenger may take a reply or perform a further express delivery service within the authorised hours. The second fee must be prepaid either by the sender of the first service or by the sender of the reply or further service.

When a reply or further service is required by the sender, the words "Wait Reply" or "Further Service" must be written above the address of the letter or parcel, and the messenger will be allowed to wait 10 minutes.

When a letter or parcel is taken to an address on the messenger's home-ward route, or to an address within half a mile, more or less, of the Post Office from which the messenger originally started, half only of the special messenger fee will be chargeable.

EXPRESS DELIVERY AFTER TRANSMISSION BY POST.

Under this Service Letters and Parcels are forwarded by Mail in the regular course of post, and on arrival at the Office of Delivery are sent out by Express Messenger.

Fees.

If one half of the express fee and charge for special conveyance is not prepaid, the letter or parcel will be liable to be treated as an ordinary letter or parcel instead of being delivered by special messenger.

* Ordinary and Telegraph Money Orders may be drawn on any place in Hungary and Norway, but if there is no telegraph office at the place of payment the order will be sent to the payee by post from the nearest telegraph office.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and *may* fill in the name of the Post Office at which the amount is to be paid. The person so named *must*, before payment can be made, sign the receipt at the foot of the Order, and *must* also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate enquiry if the Order should be lost.

POST-OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14 intitled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof*," and are open daily during the hours appointed for money order business for the receipt of deposits of one shilling, or any number of shillings, subject, of course, to the limitations of amount prescribed in the Acts previously in force for Savings Banks.

Deposits are received of any sums not less than a shilling or more than £50 in one year, and when the deposit reaches £1, interest at the rate of 6*d.* a year on each pound deposited is given.

Limit of deposits, £200, inclusive of interest; except deposits for Charitable Societies, the limit being £100 in one year, or £300 in all.

Any sum not exceeding £1 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post-Office Savings Bank may invest any sum up to £200 in Government Stocks at the current price of the day, and may sell at the same. The commission for buying or selling is, not exceeding £25, 9*d.*; exceeding £25 and not exceeding £50, 1*s.* 3*d.*; exceeding £50 and not exceeding £75, 1*s.* 9*d.*; exceeding £75 and not exceeding £100, 2*s.* 3*d.* and exceeding £100 and not exceeding £200, 2*s.* 9*d.*

The amount of Government Stocks which any one person can buy in a year must not exceed £200, and the whole amount which he can hold in such Stocks must not exceed £500.

GOVERNMENT INSURANCES AND ANNUITIES.

Life insurance for any amount not less than £5 or more than £100 may be effected by any person not over the age of 65 years and not under the age of 14 years; or, if the amount does not exceed £5, not under the age of 8 years. Immediate or Deferred Annuities are granted for any amount not less than £1 or more than £100 to any person not under the age of 5 years. The persons whose lives are insured, or to whom Annuities are granted by the Post-master-General, have direct Government security for the payment of the money at the proper time.

Forms of proposal for the insurance of lives and the purchase of Annuities, and information as to filling them up, may be obtained at any Post Office Savings Bank.

Post-Office Telegraphs.

INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 6*d.* for the first 12 words, and ½*d.* for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one half the ordinary tariff; a fraction of a halfpenny being reckoned as a halfpenny.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate Delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$ counts as one word, and $109\frac{3}{4}$ as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 3*d.* for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

Insurance against Fraud and Embezzlement.

The question of **FRAUD** by trusted Officials is so frequently brought into public prominence, that the necessity of Employers holding adequate security on behalf of responsible persons whom they employ must be freely admitted. **It is the obvious duty of Members of School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper security is held on behalf of those whose Funds they administer,** and the moral and financial safeguard of a Guarantee Policy issued by a good Office should commend itself.

The Premiums charged by **THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION** are based on the statistics of upwards of forty years' experience, and a full Prospectus containing an approximate Table of Rates for the various classes of risk will be sent on application. Special quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate security to **ACCOUNTANTS, SOLICITORS, AND OTHERS,** in connection with Court appointments, and will give full particulars of the special facilities afforded on application.
